**JOINT STATUS REPORT**

The parties, by their undersigned attorneys, submit this joint status report in accordance with the court's minute entry of August 1, 2024, which requested an update regarding settlement. Dkt. 95. Since the parties filed their most-recent joint status report at the beginning of August (Dkt. 94), the parties have prepared a draft of a consent decree that, if finalized by the parties and entered by the district court, would represent the full and complete terms of the parties' settlement. The defendants have also provided the United States with revised architectural drawings and plans for certain remediations relating to wheelchair spaces and companion seats at Wrigley Field, and the United States has provided comments on those revised drawings and plans.

The parties anticipate that they will reach final agreement and be in a position to seek entry of the consent decree by the district court within the next 30 days. In light of the foregoing and the parties' continued substantial progress, the parties jointly request that discovery remain stayed to give them additional time to work towards a final written consent decree.

Respectfully submitted,

For the United States:

MORRIS PASQUAL  
Acting United States Attorney
